

VOLUNTEER NEWSLETTER

February 2017

As February is a short month so is my newsletter!!

Dates to mark on your calendar.....

Feb. 1/17 to Feb.6/17 inclusive I will be away from the office so if you have any documentation for me please leave it my mailbox in the Front Office. I have left a manilla envelope there with my name on it for your use.

Feb. 16/17 Tea & Treats in the Radio Hall at 10:30am. Hope to see you there.

As we are in the process of updating our Volunteer files you may find that over the next few weeks we have left documents in your mail box for you to complete. These will be forms that are missing from your file. Once completed please return them to me.

Thanks for your help with this.

Thank you to those of you who have returned your survey and attestation documentation and for those who haven't please email or drop them off as soon as convenient.

Know what this is???

Rumour is.....it will return...
