

## **Resource List for “The Federal Election Results and the Climate Crisis”, October 28, 2019**

### **Biographical Material on Professor Gordon Laxer**

Dr. Gordon Laxer is a political economist and professor emeritus at the University of Alberta. He is the founding director and former head of Parkland Institute at the University of Alberta in Edmonton. He is also author or editor of six books, including his most recent, *After the Sands: Energy and Ecological Security for Canadians* (Douglas & McIntyre), and *Open for Business: The Roots of Foreign Ownership in Canada* (Oxford University Press), which received the John Porter Award for best book written about Canada. Gordon is on the advisory board of the SSHRC-funded Corporate Mapping Project, which is researching the structure and influence of fossil fuel corporations in Western Canada. Gordon was the Principal Investigator of a \$1.9 million research project, *Neoliberal Globalism and its Challengers: Reclaiming the Commons in the Semi-periphery* (2000-2006).
