

Resource List for “Haliburton’s Wetlands and Climate Change”, January 27, 2020

- 1. Background information on the Haliburton County Land Trust:
* HHLT Website: <https://www.haliburtonlandtrust.ca>**
- 2. Biographical Information on Paul Heaven, Co-Owner, Glenside Ecological Services**

Paul Heaven is a Wildlife Biologist and Managed Forest Plan Approver (MFPA) with an expertise in forest/wildlife inventories, wetland/habitat assessments, plan development and implementation, and GIS/GPS technology. Paul assists landowners in developing management plans for the MFTIP program that are tailored to meet their objectives; whether they are based on forestry, wildlife habitat, environmental protection or recreation. Paul is recognized by the OMNRF for the production of professional and comprehensive plans.

- 3. Biographical information on Sheila Ziman, Secretary, Haliburton Highlands Land Trust**

Sheila is one of the founding members of the Haliburton Highlands Land Trust. She joined the first Land Trust Board while she was still teaching English as a Second Language in Toronto. After spending ten years on the Board, Sheila took a break to pursue her other passion in life – basketry. After a two-year hiatus, Sheila has returned to the Board as a director. Her commitment to connecting people to nature and protecting the natural world remains strong.

- 4. Minden Times Article: “Land trust to map wetland with climate change funding”, Dec. 4, 2019: <http://www.mindentimes.ca/land-trust-to-map-wetland-with-climate-change-funding>**

- 5. New Haliburton County Land Trust document entitled “Best Management Practices: Guidelines for Protecting Wetlands: call or email HHLT for access to this publication:**
