

Resource List for “Managing Spring Water Levels Under A Changing Climate” PH Short Takes Episode, April 2020

1. **Coalition for Equitable Water Flow (CEWF) website:** https://cewf.typepad.com/coalition_for_equitable_w/
2. **CEWF Priorities for 2020:** https://cewf.typepad.com/2020_Priorities_final.pdf
3. **CEWF Fact Sheet and Mandate:** https://cewf.typepad.com/2017_CEFW_Fact_Sheet.pdf
4. **Ted Spence Biographical Information:**

Ted Spence has been a member of the Executive Committee since soon after the establishment of the CEWF and has been on the boards of the Cavendish Community Ratepayers Association and of Catchacoma Cottagers Association.

He and his wife Susan have been cottagers on Catchacoma Lake which is part of the Mississauga Lake chain, the largest single reservoir on the TSW, for the past 20 years. They also have family members with lake front property on Little Bob Lake.

Ted spent seven years as a member of the board of the Federation of Ontario Cottagers’ Associations (FOCA) including two years as president. In that role, he maintained active liaison between CEWF and FOCA. Ted retired in 2009 as Professor Emeritus after a 39 year career at York University, which included a 10 year term as Dean of the Faculty of Environmental Studies and 10 years as Senior Policy Advisor to the University President. His academic focus was in environmental planning and hydrology.
