

**PH Resource List for “The Federal Liberal Climate Action Formula: A Recipe for Failure”, airing Thursday March 25, 2021**

**1. David Robertson Bio:**

David is retired. He was Director of Work Organization and Training at the Canadian Autoworkers for over 25 years. Prior to that he was a researcher with the ONDP at Queen’s Park and even earlier was involved in setting up the university based, Ontario Public Interest Research Group.

David is a member of Seniors for Climate Action Now! and current chairperson of the education committee. Before getting involved in SCAN! David was active with the Good Jobs For All Coalition’s successful campaign to stop Google’s takeover of the Toronto waterfront.

In addition to his involvement with SCAN! David’s retirement project is learning to play the guitar, and acknowledges the patience of his wife Moya and son Brendan.

**2. Terry Moore Bio:**

Terry is a retired union negotiator with a previous life as an environmental and natural resources researcher at the Ontario Legislative Assembly and the Ontario Public Interest Research Group (OPIRG).

He was actively involved with Coalition of Haliburton Property Owners’ Associations (CHA) Love Your Lake Project, and a Board Member with the Halls/Hawk Lakes Property Owners’ Association.

Currently the Vice-President of Environment Haliburton (EH!), Terry is also the Host of “Planet Haliburton”, an hour-long, twice-monthly, environmental justice radio program on Canoe FM, 100.9fm, and the President of the Haliburton Highlands Green Burial Society.

A father of three and grandparent of one, going on two, Terry lives with his wife, Shirley, on the shores of Halls Lake, in the Township of Algonquin Highlands, where the view still makes his heart thump every morning.
